A map of the Hartford area showing the location of the study area in yellow. The study area is a yellow-shaded region in the center of the map, bounded by a yellow line. It is surrounded by several towns: Sumner to the north, Hartford to the north, Buckfield to the west, Leeds to the east, Hebron to the south, Minot to the south, Auburn to the south, and Greene to the south. A red square is located within the yellow-shaded region, indicating the specific location of the study area.
